Washington, Stephanie
Whitney, Steve
Yunker, Dianne

GOAL 1: CONTINUE DEVELOPMENT AND MANAGEMENT OF AZGEO

Objectives:

- A. Expand and improve functionality
 - i. Improve vector and raster services
 - ii. Continue development of statewide geocoding services
 - iii. Provide data QA tools and procedures for members
- B. Promote sustainable practice through stakeholder community
 - i. Solicit and incorporate feedback/suggestions to improve the user experience
 - ii. Develop AZGEO user training

GOAL 2: DEVELOP AND PUBLISH AGIC BEST PRACTICES

Objectives:

- A. Identify areas needing, or with outdated, best practice documentation
- B. Create appropriate white papers (e.g. metadata standards, data sharing)
- C. Work with other committees to implement within AGIC and promote to others
